Happy December!

We've been working hard to make sure we have great activities each week, tasty meals, and a place where kiddos want to be. Every week we focus on a different topic and last month we learned all about respect, social justice, and ocean pollution. The kids even made their own posters about stopping ocean pollution.

December is all about positivity and gratitude – this a great thing to focus on for the small people and their adults too!

We are excited for our tenth annual shopping trip this month. We'll be doing some shopping, wrapping gifts, and enjoying lunch at Colorado Grille. This is one of my favorite days each year – watching the smiles and seeing children experience the joy of giving is the best feeling!

Fabulous Fridays in December will be full of crafts, cooking, and competition! We will be staying on site and are open 8am to 5pm. Drop in anytime!

We are looking forward to a good 2022 and are hoping for health, safety, and happiness in our community. Our staff is looking forward to enjoying time with their friends and families over our holiday break. We will be closed from December 20 through January 10.

We are so excited for a month full of fun and learning. We hope everyone has a great break!
