## HVCC Sports Coaching Code of Conduct

I, \_\_\_\_\_, hereby commit to be a coach of HVCC Sports.

As a coach, I understand that how I carry myself on and off the field is critical. As such, I will do my best to follow these rules:

- I will set a good example by modeling the same expectations set for players and parents.
- I will strive to uphold ethical standards while coaching.
- I will have a thorough understanding of the rules of the game we play.
- I will do everything I can to best prepare my players with skills and teach them the rules.
- I will have clear expectations for players regarding team sportsmanship.
- I will respect all players and parents. If there are issues, I will contact the coordinator.
- I will determine roles, positions, and playing time off coachable expectations such as performance, attendance, and attitude. I will try to be considerate of allowing all athletes to play, especially substituting athletes that normally don't get a lot of playing time when the score is up.
- I will always enforce safety, including proper use of equipment and safe equipment.
- While utilizing outdoor spaces I will take lightning seriously and will not risk the safety of my team, coaches and families. I agree to use a lightning tracking app to provide safety to my players.
- I will respect the opposing team, coaches, players and fans. If I have an issue, I will contact the HVCC Sports Coordinator.
- I understand that winning is important, but the primary objective is promoting an environment of growth and learning.
- I will handle both winning and losing with grace and dignity.
- I will clearly communicate scheduling issues with HVCC so an alternate may cover practice or games rather than rescheduling.
- I will uphold HVCC's Players Code of Conduct for both myself and my team.
- I will work with HVCC's Sports Coordinator and HVCC should any issues arise.

I understand these rules, and I will do my best to represent my team, myself, and HVCC Sports.
