## HVCC SPORTS

**Volleyball and football are underway  
and basketball will start in October!**

We are so excited to begin our 13<sup>th</sup> year of afterschool at HVCC!

I had the greatest summer and hope that all of our participants did as well.

We were able to visit the Sand Dunes, go horseback riding, swimming at Splashland and Hooper, and even took a trip to Lathrop State Park in Walsenburg. We made pottery, worked on our baking skills, exploded things, learned about our world – small and large, and spent time making new friends and playing outdoors! Our orange and blue shirts (grades 6 and above) did a wonderful job volunteering at HVCC and throughout the community. We grew our program and, most importantly, our relationship with our participants and families.

As we enter into the new school year, we have some great staff and many of the same friendly faces. We are anxious to see our little friends beginning September 6. We've mixed the schedule up a bit to hopefully better serve the community, added some great new activities, and we can't wait to start making some tasty dinners.

As we move in to the coming year, please stop by and say hi, let us know if you have questions or concerns, feel free to tell us if we're doing something you love – we want to be the best HVCC we can be; just like we are excited to help make this community the best it can be so that our young people can be the best they can be!

Thank you for being the reason we are here and the reason we keep on working hard.

See you soon!
