Happy May!

We can't believe that the 21-22 school year has almost come to a close!!

We have served 186 students this school year with a total of 3,405 student contacts. What an amazing year it has been – we are so glad to see health and normalcy returning to our community!

We will be finishing the year by preparing for a talent show, hosting the SLV Youth Soccer games, and then heading to tournaments. We are really excited to invite you all to our end-of-year party on May 19<sup>th</sup>! We are also in the throes of getting ready for the first-ever SLV OST professionals conference. We will miss you all for the two weeks we are closed, but we can't wait to come back and use all of our new skills and energy!

HVCC's 2022 summer program will begin June 7<sup>th</sup>. As always, program will run Tuesdays, Wednesdays, and Thursdays from June 7 to August 4. We will accept kiddos who are 5 and will be starting kindergarten in the fall all the way through High School. If you will be entering sixth grade or above, keep an eye out for more information on the summer intern program. If you are already registered with HVCC, we will be asking you to update and renew your registration when we see you. If you have never attended HVCC, you will need to register. You can do this online or give us a call – 719-657-2172.

Keep an eye on the HVCC website and Facebook posts for all information to come out about the summer program.

We appreciate each of you for making what we do possible. Without our families and our community, this would work would be meaningless.
