Parents, Coaches, Spectators

The San Luis Valley Youth Sport Program has a no tolerance policy in which threats, harassment and/or physical or verbal abuse will not be accepted. Failure to act in a sportsmanlike manner will result in expulsion from games, possibly for the entire season. Any person(s) found violating this policy by harassing a player, coach; official or spectator will be asked to leave the premises immediately. If the violation is severe enough, this may lead to the banning from any or all Parks & Recreation sponsored events, and possibly involve the police department.

Parents and Other Non-participants are not allowed on the field/court, THIS INCLUDES COACHES. Players acting in an unsportsmanlike manner will be sent to the sideline by the official and will sit out for the remainder of the game.
