Participants need to be registered to attend any OST program. Questions about registration? Give us a call!

I know it's cliché, but I can't believe how fast this year is going. We had a whirlwind of an October at HVCC – from our fundraiser to the first OST (Out of School Time) state conference to meeting a lot of new friends. It's flown by and I have no doubt the rest of 2022 will too.

If you are around HVCC you'll see some new faces – we have Andy Garcia, Jodi Blalock, Alexis Cobb, and Kevin Perko joining the HVCC team. Jodi is supporting both our Encore and Out of School Time programs and has been a great asset in her first two months. Andy spends his days cooking up delicious food in the kitchen and we are so happy to have him. If you're hungry, stop by – there's probably a leftover dinner or a tasty snack you can have! Kevin is brand new to HVCC and will bring lots of fun and learning to our OST activities. Alexis is working hard to bring the HVCC attitude into our sports program. So far, she's been with us for volleyball and basketball, and we can't wait to see how she can help us guide and grow the program! You will also want to make sure to say "hi" to Zack and Tytus, our high school staff who are doing a great job making sure there is a lot of fun happening!

The new faces join the well-known faces of Adrienne, Elaina, Shaubin, Steve, Angelina, Devon, Kim, Maddie, Arielle, Alexa, and Lynnea. If you have questions about any of the work we do, the things happening around HVCC, or even just who we are, please stop by and say hi! As we continue to grow and expand our opportunities, we want to make sure we're doing it in a way that best serves our kids and their families.

If you missed Elaina in the month of October, great news – she is back after several weeks of recovery, and we could not be more excited! Elaina brings a great deal of joy to the HVCC team, the participants, and every one that walks through the door!
