Hello and Happy May!

The 20-21 HVCC after-school program is nearly over. I am proud to say we did more than survive a year in which we all adopted dozens of new buzz words and had feelings we never imagined we'd have.

We swam, bowled, climbed, practiced arts, sciences, circus skills, communication, we had opportunities to support our school-day learning, and, most importantly, we practiced being part of a community, valuing our community, and growing as a community. We grew our staff, our programs, and most importantly our relationships.

I'm not sure we'll miss the past as we head into the 2021 HVCC Summer program, but we are stronger and better for it! And, we are so excited to invite you into summer with us!

Our K-6 kiddos will have the best times enjoying sunshine, explosions, 800 years of art, the world at large, and serving their community. If you aren't registered yet, be sure to give us a call! If you are registered, no need to register again!

If you're entering 7th grade or above, you will not want to miss this summer. A mini conference (complete with snacks and goodies), relationship-building with the local business, friendships and fun, and we'll even throw in some money! Sign up now! (www.theHVCC.org/summer)

If you have questions or concerns, please stop by and say hi or give us a call – we want to hear from you!

So many thanks to those that helped us survive 2020 and we can't wait to see you this summer!

Important Dates:

- **May 13** – Last day of the 20-21 after-school program
