Happy November!

HVCC is well-known for our out-of-school time opportunities, but do you really feel like you know what we do? It's so much more than "somewhere for the kids to go". During our afterschool program we enjoy delicious, hot meals. All of our food is made in our kitchen by our own Eli. Eli grew up at HVCC and now spends his days making good, solid, homemade food.

We place a strong emphasis on homework assistance – our staff work with each grade to ensure quality completion of their homework. We understand the kiddos (and you!) are tired by 7pm and this is one less thing for you do.

Each week we have a theme that we believe helps make all of us better humans. Manners? Good to have....and use! Basic cooking skills? Yum! Good decision making? Kindness? It will help make all of us better people!

Are Fridays really Fabulous? They are! We start each morning with relaxing and breakfast, usually followed up with an excursion. From September - November we travel to Sand Dunes Recreation in Hooper for swimming lessons, we have four weeks of winter activities when the snow flies, and then hiking and enjoying the great outdoors in the Spring.

We also provide meals and activity opportunities for members of the community who are 50 and above. This is a new program of HVCC and we are so excited to be expanding our service population!

Perhaps a less well-known component of what we do is supporting our community through events, chamber, economic development, and more. We try to be engaged in all areas that will potentially make our world a better! Stop by or give us a call if you want to chat or have questions!
