

Out of School 2022-2023

Afterschool

We provide a safe and caring space for school-aged young people to complete homework, enjoy a meal, and learn new things. We know that youth are the solution to the challenges facing our community, they are not another problem for us to solve. HVCC is dedicated to providing the support and resources our participants need to reach their goals.

Tuesdays, Wednesdays, Thursdays
4:00 to 6:30

Youth Sports

HVCC works with other SLV communities to offer volleyball, flag football, basketball, soccer, t-ball, and baseball to youth in grades K-6.

Registration, season dates, and sport-specific information can be found on the HVCC website. -- www.theHVCC.org

How can we get involved?

Youth in kindergarten through high school are welcome to attend on any program day. A parent or guardian must register the student prior to attending so we have basic contact information, know of any health concerns, and can collect basic demographic data to support our grant-funding. We are a drop-in program, so you can join any time of year and attend as much or as little as works for you.

Fabulous Fridays

We are able to offer breakfast, lunch, and a variety of adventures and opportunities on Fridays due to our 4-day school week.

Throughout the year we offer 10 weeks of swim lessons, bowling, hiking, and interesting trips around the valley, along with art, science, and college and career exploration programs for our middle school and high school aged participants.

Fridays
8:00 to 5:00

How much does it cost?

All of our programs are offered free of charge. We receive most of our funding through grants and contracts. Local contributions are also extremely important to our success. Check out our website for suggested contribution amounts and more information.

Please come in and visit with us! We are happy to discuss any ideas or concerns you might have.

HVCC Teens 2022-2023

Afterschool & Fridays

Students in grades 6-12 are invited to join us at HVCC for dinner, help with schoolwork, activities, work readiness, and more whenever they would like. Stop by and grab food, ask for a little help with a tough assignment, or hang out all night or on Friday. We know you are busy, but we hope to see you when you have time!

HVCC's Entrepreneurs

We know you may not technically be a teenager, but if you're in grade six or above, we have some great plans!

We are working on real skills that will help prepare you for an HVCC summer, use your creative skills, build a business, head off to college, or find your career-path. We will have fun and earn a little money too!

September

- Promotional Videos
- Canva
- Learn to referee

October

- Cake Decorating
- CPR/1st Aid

November

- Making and selling cookies
- Gift wrapping

December

- Shirt making
- Selling products
- Gift wrapping

Job Board

Have some extra time and want to earn a few dollars? We have a job board where you can pick up a task and make some money.

Anything from dishes to officiating a game, help with swim lessons or plan an activity!

Denver Trip

Have you heard about the famous HVCC Denver Trips? Participate in the fall HVCC activities and earn your invitation to hang out in Denver, go to Disney on Ice, eat great food, and have so much fun!

December 2nd and 3rd
Watch for more information!
