Happy February!

With snow on the ground the SLV is beginning to feel more like the winter wonderland we all know and love!

It has been so fun watching our weekly activities and sports gain more participants! However, we still have room and would love to see some new faces come around for our after school programming. We are continuing to provide transportation for our students to and from school and sports.

Fabulous Fridays are exciting as ever this February! Each Friday begins by relaxing and eating a warm breakfast at HVCC then we head out for our off-site fun. We will continue bowling the first two Fridays in February. The last two Fridays in February will be filled with winter fun. Please dress warmly as we will be outside for a portion of the day exploring different outdoor winter activities. As always, lunch and transportation will be provided.

We are excited to announce that on Tuesday, March 1<sup>st</sup>, HVCC will host Creede Theatre's production of *Ms. Joy* at 5:30pm. This is a 30 minute production, held at HVCC, and open to all community members. Dinner and dessert will be provided. We hope you will join us!

There are so many moving parts of High Valley Community Center! We encourage you to call or stop by to find out more about our organization. Our staff is happy to answer any questions or discuss possible opportunities that will benefit our community!
